BENGALITE

A color photograph of a landscape. In the foreground, there is a low, dark stone wall. Behind the wall, a grassy slope rises. Several trees are visible, including a large, leafy tree on the left and a tall, thin evergreen on the right. In the background, a body of water (a lake or river) is visible, surrounded by more trees and hills. The sky is overcast. The photograph is mounted on a blue album page with a white border.

DEDICATION

HAROLD A. HAWLEY

To a man who has always gone out of his way to be a friend, a person who doesn't get the credit which his valuable presence so richly deserves; we the class of '62 dedicate this annual, as a small token of our appreciation to you, Mr. Hawley.

IN APPRECIATION

MRS. JUNE (GRANNIS) BENTLEY

To the grade school teacher that we regard most highly, who taught us lessons more valuable than those found in any book, we the class of '62 have the honor of dedicating this small token of our appreciation.

LAST WILL AND TESTAMENT

We, the Seniors of Berlin High School, Ottawa County, State of Michigan, being as sane as usual, and of sound mind and body do declare this our Last Will and Testament.

To the Freshmen, we leave nothing because they already have more than any other class.

To the Sophomores, we leave high hopes that they can get along in the new school as well as we have in the old school.

To the Juniors, we leave our ability to sponsor the most successful Prom in the school's history.

I, Rick Berg, leave my position on the football team to anyone who can get along with Mr. Rajchel.

I, Judy Boonstra, leave my book "How to Drive Safely and Sanely" to anyone who can use it.

I, Berdene Burmeister, leave some of my imagination to all who think they can control it.

I, Donna Brechting, leave my good driving ability to Dawn Holtzlander.

I, Ed Drake, leave all my horses, except one to Roger Van Dyke.

I, David Duncan, leave to Ron Bacon my ability to get good grades without doing homework.

I, Don Fritz, leave everything I have, which is worth nothing to Jay Bolt, except Nancy, whom I hope to keep forever.

I, Nancy Hammond, will my ability to get a Tootsie Roll Pop every noon to any girl who wants to go with Jay Bolt.

I, Fred Idsinga, leave all my absence excuses to Dan Scheidel.

I, Roger Merkins, leave my job as newspaper editor to any Junior who is foolish enough to take it.

I, Ruthan Miller, leave my ability to go steady during my Senior year and still be elected class flirt, to anyone who thinks they can do it.

I, Diana Moon, leave my wide-awakeness to anyone who can keep late hours, and still be wide-awake.

I, Dan O'Connor, leave.

I, Claude Saliers, leave my ability to play bench-warmer on the football team to Jim Berg, for I feel the most important thing in football is a warm bench.

I, Tom Schneider, will my "wit" to any half-wit, because I can get along "wit-out" it.

I, Carol Schoenborn, leave my shoes to anyone with an outboard motor.

I, Rita Struik, leave my bottle of growing pills to anyone who needs them, and I hope they have better luck with them than I had.

I, Harold Timmins, leave my bashfulness to anyone that wants it.

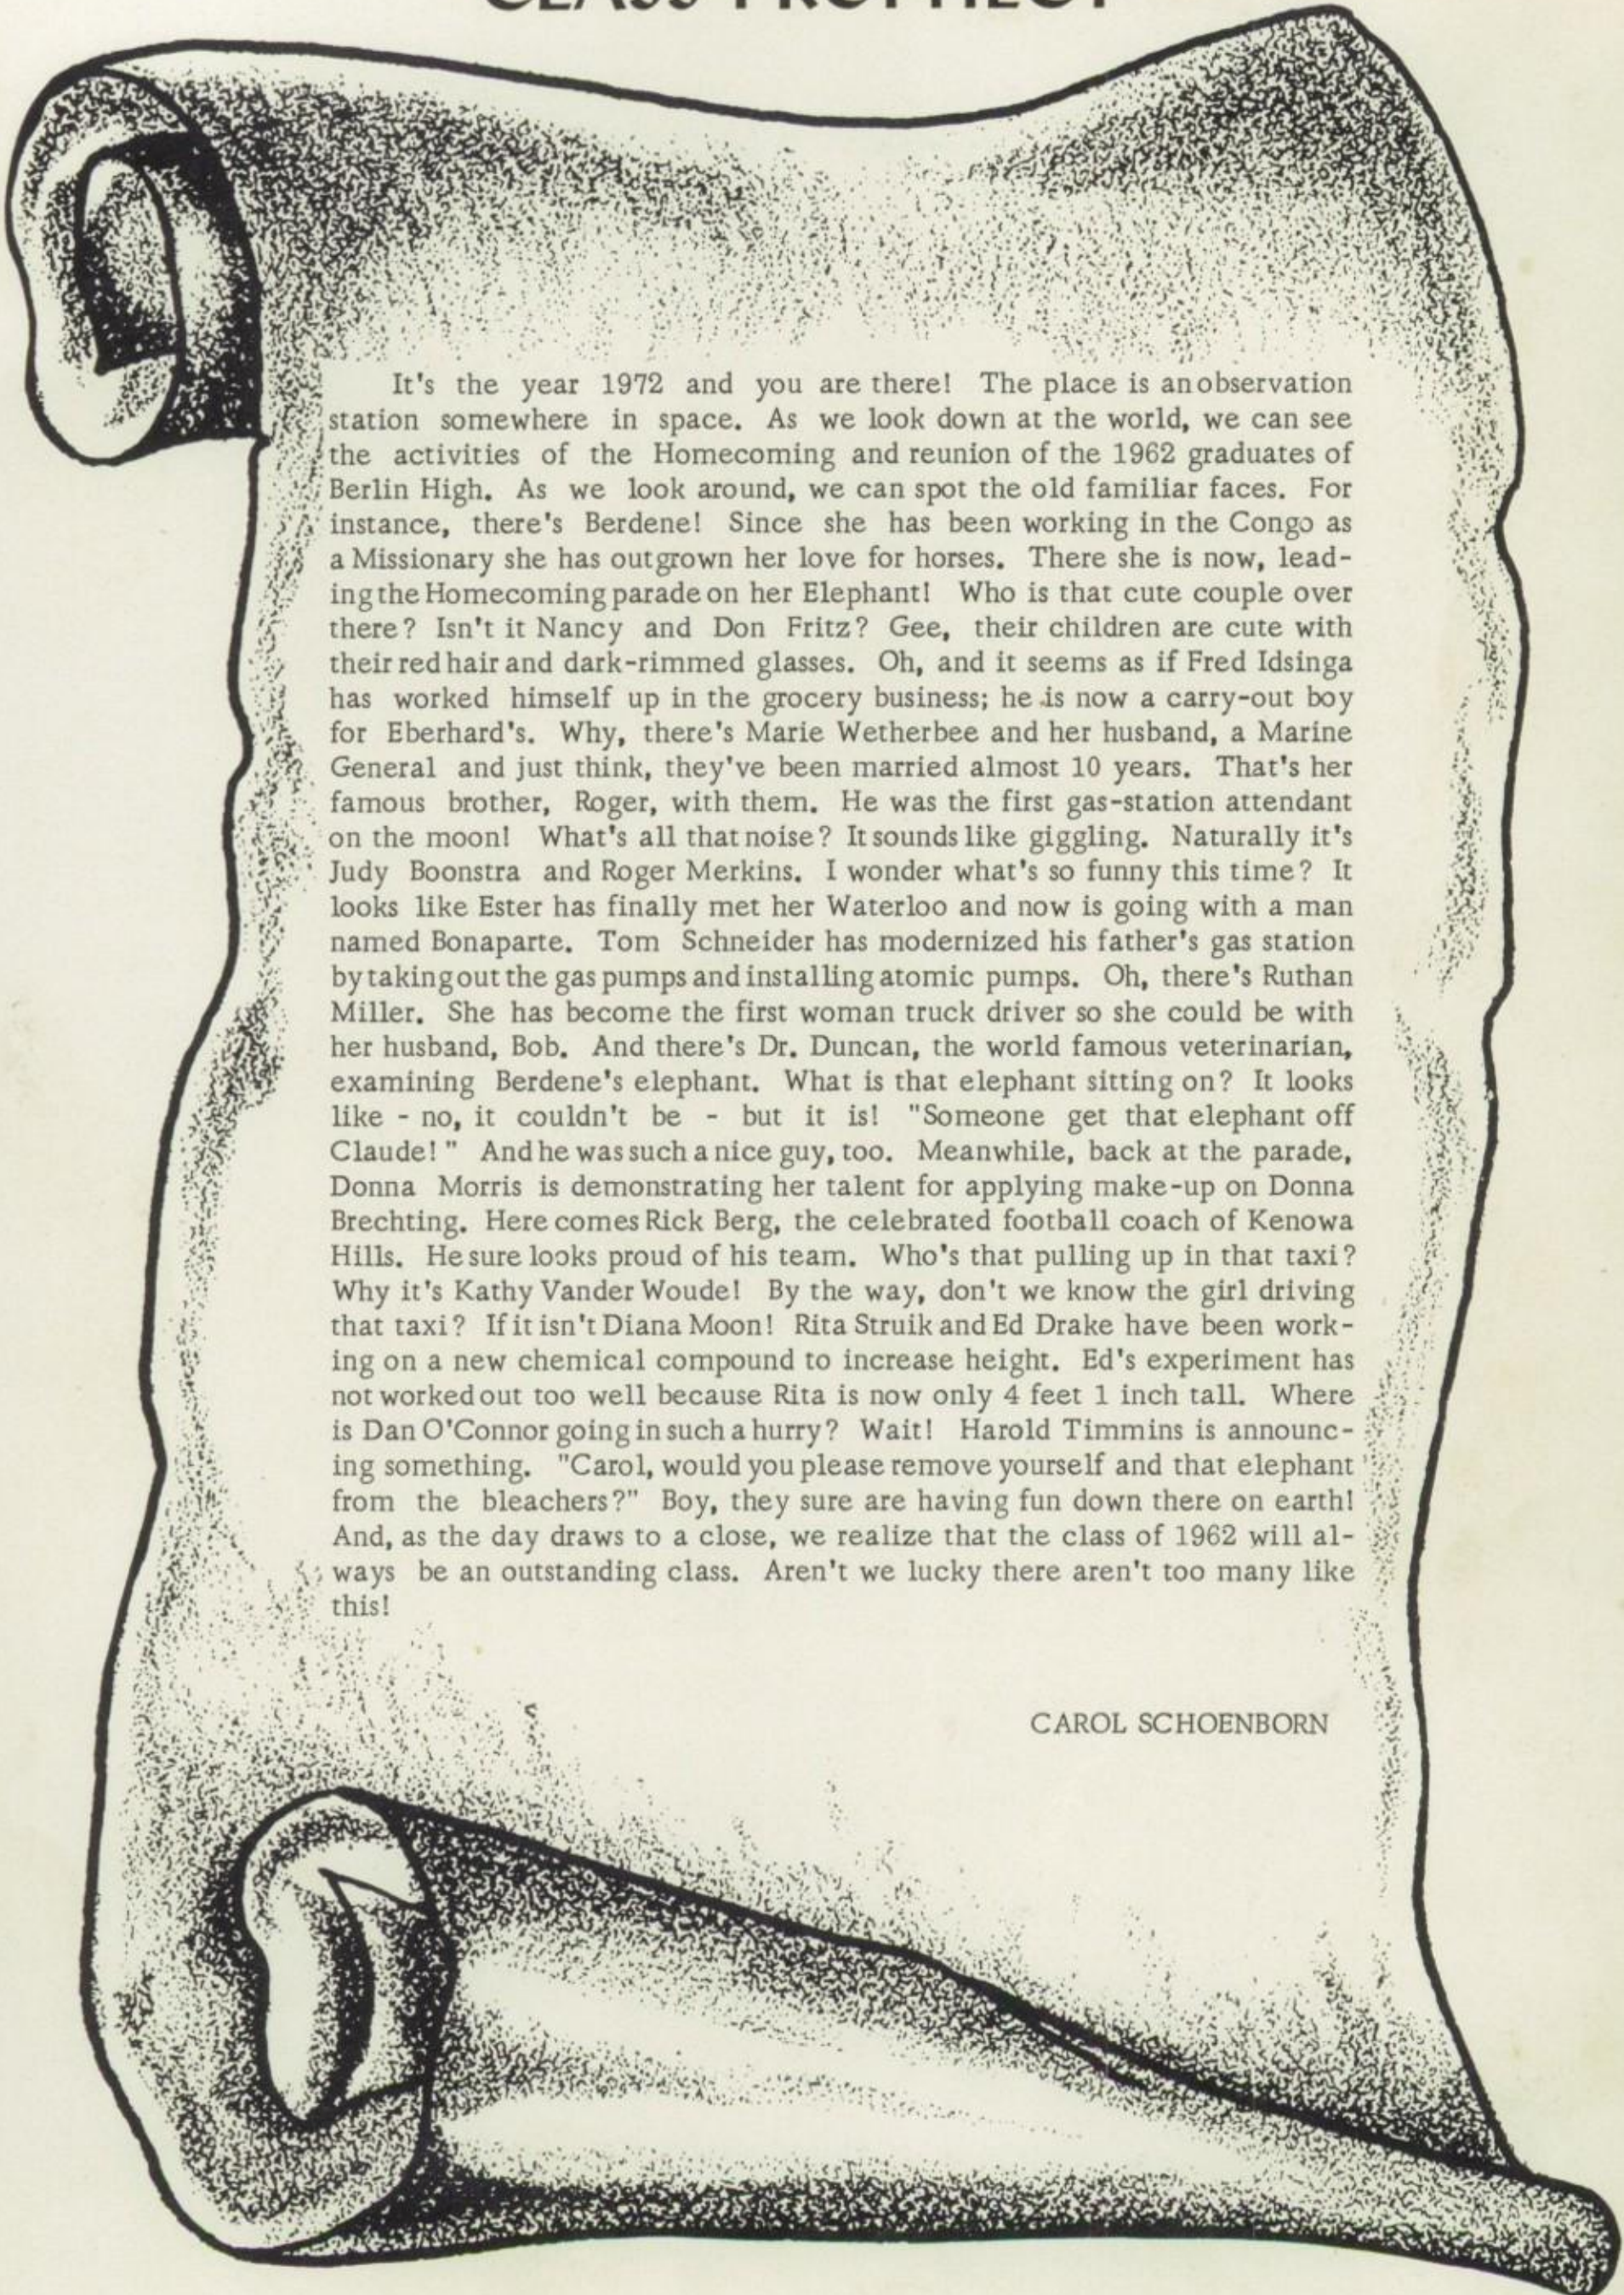

I, Kathy Vander Woude, leave my ability to keep calm during my Library period to my sister in hopes she will also have as much patience as I had.

I, Esther Waterloo, leave my ability to curl straight eyelashes to Jay Bolt.

I, Marie Wetherbee, leave my ability to buy air mail stamps to anyone who thinks they're in love with a Marine.

I, Roger Wetherbee, being of sound carburetor and distributor leave the smooth running Journalism class.

CLASS PROPHECY

It's the year 1972 and you are there! The place is an observation station somewhere in space. As we look down at the world, we can see the activities of the Homecoming and reunion of the 1962 graduates of Berlin High. As we look around, we can spot the old familiar faces. For instance, there's Berdene! Since she has been working in the Congo as a Missionary she has outgrown her love for horses. There she is now, leading the Homecoming parade on her Elephant! Who is that cute couple over there? Isn't it Nancy and Don Fritz? Gee, their children are cute with their red hair and dark-rimmed glasses. Oh, and it seems as if Fred Idsinga has worked himself up in the grocery business; he is now a carry-out boy for Eberhard's. Why, there's Marie Wetherbee and her husband, a Marine General and just think, they've been married almost 10 years. That's her famous brother, Roger, with them. He was the first gas-station attendant on the moon! What's all that noise? It sounds like giggling. Naturally it's Judy Boonstra and Roger Merkins. I wonder what's so funny this time? It looks like Ester has finally met her Waterloo and now is going with a man named Bonaparte. Tom Schneider has modernized his father's gas station by taking out the gas pumps and installing atomic pumps. Oh, there's Ruthan Miller. She has become the first woman truck driver so she could be with her husband, Bob. And there's Dr. Duncan, the world famous veterinarian, examining Berdene's elephant. What is that elephant sitting on? It looks like - no, it couldn't be - but it is! "Someone get that elephant off Claude!" And he was such a nice guy, too. Meanwhile, back at the parade, Donna Morris is demonstrating her talent for applying make-up on Donna Brechting. Here comes Rick Berg, the celebrated football coach of Kenowa Hills. He sure looks proud of his team. Who's that pulling up in that taxi? Why it's Kathy Vander Woude! By the way, don't we know the girl driving that taxi? If it isn't Diana Moon! Rita Struik and Ed Drake have been working on a new chemical compound to increase height. Ed's experiment has not worked out too well because Rita is now only 4 feet 1 inch tall. Where is Dan O'Connor going in such a hurry? Wait! Harold Timmins is announcing something. "Carol, would you please remove yourself and that elephant from the bleachers?" Boy, they sure are having fun down there on earth! And, as the day draws to a close, we realize that the class of 1962 will always be an outstanding class. Aren't we lucky there aren't too many like this!

Dear Marie, (Sweet start)

Well after four years of being in torture chambers, ball and chains, behind bars and all that other rot we'll finally make it up to graduation. Now their going to turn us loose in this big sweet world. (Look out world!) I do mean look out. Your graduation is just one step closer to marriage and children. My graduation is, for me, one more step towards becoming Mrs. Kenneth Wierma. (I hope) We did have a little disagreement over graduation night but thats all in the dead past. I dont want to get married now but maybe in a year. By then I'll be through running around and be ready to be a good wife and maybe even a mother. How about that.

It sure has been great knowing you the past five years and we sure had some great and unusual times. Which to be on the safe side I won't mention. If I did I'm afraid it might be incriminating. Well I'll sign off hoping we'll always be the best of friends and may God bless you and Mike.

a friend always
